

FINANCIAL WORKSHOP

*Financial capability is the ability to navigate life's events.
It's more than setting financial goals, it's building toward them.*

Commit. Plan. Succeed. Financial Goal Setting

We'll help you to turn your financial dreams into a goal and help you to focus on achieving it. With Financial Goal Setting, you will learn special techniques needed in order to identify what goal you will focus on and a plan to achieve it.

Improve Your Credit Score You Can Do This!

We'll discuss Establishing and Maintaining Good Credit, Understanding Credit Scoring and Restoring Your Credit. There will be time after class for those who have specific questions on improving their credit score.
